红色的紫禁城是中国的代表之一，也是一个很富有标志性的地标建筑，它能代表中国的精神和文华。同时也很期待最终我们一起完成的作品！在传统文化里，红色一直被视为是一种表示喜庆的正色，寓意着庄严、幸福、吉祥。而故宫中（紫禁城为代表）承袭了以往宫殿的色彩美学，也使用了大量的红色。而故宫城墙的红为“朱砂红”。

The red bauhinia city is one of the representatives of China. It is also a very iconic landmark. It can represent the spirit and culture of China.

In traditional culture, red has always been regarded as a positive color that symbolizes happiness, solemnity, happiness and auspiciousness. The imperial palace (represented by the Forbidden City) inherited the color aesthetics of previous palaces and also used a lot of red. The walls of the Forbidden City are red with cinnabar.

故宫也是中国著名景点，历代皇帝都曾住在这里，现在每天都有很多人参观，希望你们也可以来看看，它真的很漂亮，很大，拥有很多作用不同的宫殿。

The Forbidden City

The Forbidden City is also a famous scenic spot in China. Emperors of all dynasties used to live here.

Now many people visit it every day.
