

I've been waiting for you!

My painting combines some representative things of China. They represent Chinese calligraphy (brush), traditional

food (dumplings), landmark buildings (the Great Wall, temple) and specialty products (silk). In addition, there are Qingshan and Xiangyun, both of which are common images and patterns in our poetry and traditional literature and art. In terms of materials, I chose markers because they are transparent, soft and can express the visual effect I want very well. By the way, I hope to use silk as a bridge to connect and spread our culture with yours. Oh my dear friends! I can't wait to see the masterpiece we created together!

久等了各位！

我的画是结合了一些中国的比较有代表性的东西。分别代表了中国的笔墨书法（毛笔）、传统美食（饺子）、标志性建筑（长城、寺庙）和特产（丝绸）。除此之外，还有青山和祥云，这两样都是我们诗歌和传统文艺常见的意象和图案。而在材料上我选择了马克笔，因为它们具有透明的、柔软性等特性，并且能很好地表达我想要的视觉效果，所以我选择了它们。顺便一提，我希望以丝绸为桥梁，连接并传播我们和你们的文化。我已经迫不及待想看看我们一起携手创作的杰作了！
