

Panda

李佳怡

Well, the moral of my painting is that panda is the national treasure of China. It's an animal with Chinese characteristics. It is also an element of China. Then the bamboo lotus and Xiangyun beside the panda can also reflect Chinese elements. Bamboo means longevity and peace, youth and perseverance. Lotus symbolizes the high, noble and honest quality. Xiangyun has a unique shape. Express the wishes of auspiciousness, celebration and happiness, as well as the yearning for a better life. I hope each other's partners can draw a picture of their own national treasure or some plants representing their own country.

呃，我画这幅画的寓意呢，是因为熊猫是中国的国宝。算是一个中国有特色的动物。也算是一个体现中国的元素。然后熊猫旁边的竹子荷花和祥云也能体现中国的元素。竹子寓意着长寿安宁，青春永驻，也寓意着不屈不挠。荷花寓意着高洁，高贵，清廉的品质。祥云造型独特。表达了吉祥，喜庆，幸福的愿望，以及对美好生活的向往。我希望对方的伙伴可以也可以画一幅关于自己国家国宝或者一些代表自己国家植物的画。
