

Beijing opera

沈子煊

我的画所描绘的是中国非物质文化遗产——京剧。

京剧在我国被称之为“国粹”中国人含蓄、稳健、精致、典雅的精神品格在京剧艺术里有着最丰富、最集中、最生动的体现。我用白描的手法展现给大家，白描是中国画技法名，单用墨色线条勾描形象而不施色彩的画法。我用中国画技和国剧相结合给大家描绘出整张画面，可以更生动形象表现中国艺术的美。中国京剧的美展现在民间艺术中，希望你们有空也能够来到中国感受民间艺术、感受京剧的美。

我希望在这张作品的另一半也可以表现美国的“国粹”美国是一个自由、平等、民主的国体，各个领域都发展出了自己的特色，就比如篮球、爵士乐。我很期待看到作品完整的样子！

My paintings depict the Chinese intangible cultural heritage - Beijing Opera. Beijing opera is called the "quintessence" in our country. The chinese people's implicit, steady, exquisite and elegant spiritual character has the most abundant, concentrated and vivid embodiment in the art of beijing opera. I use the technique of white drawing to show to everyone, white drawing is a Chinese painting technique name, single-use ink line drawing image without color painting. I use the combination of Chinese painting skills and national drama to depict the whole picture, can more vividly express the beauty of Chinese art. The beauty of chinese beijing opera is now in folk art. I hope you can come to china and feel the beauty of beijing opera. I hope that the other half of this work can also show that America's "quintessence" of the United States is a free, equal and democratic national body, and has developed its own characteristics in all fields, such as basketball and jazz. I'm looking forward to seeing the complete look of the work!
